Public Schools - Konosha School, No 1 - Mr McKer Uey-The Common School

Mencaha April 21st
Massa. Epirons —I have observed a few time favorable notices of the Milwaubee schools in the papers of your city and have also seen to the Racii o pipers high commendations of the pubcooder and showed the prices sent to be two lie schools of that city, but if the truth is told succe, each with a family of six children, but is multile admitted that the advent of almost any oth cuttifrize to our state, a nuch more civilized was acti behind. Under our State stat- | inteced by the press than that of improvement and car my in our own public schools. Let a ig paul ere bete. As we have before stated, we willings to laid out, a worken fectory, from forger to not this k any captain of a mail boat would of any o her machinery be excited, or any other run the risk of b ing h ed, subject himself to a conterprise adopted to the poemniary development law suit & , for a few dollars passage money - of our s to b started, and forthwith it is heralden at road with all the force of types and luigs on Michig a to the Mississpin, and from I | m : to the Superior But when a vil only (v n by the local papers of the place, it is Is in the power of the Council, they should lione quality and incidentally, as if of but little

impor auce, and there the matter stope I thuk this a mistaken policy, and if I could, I would like, through the medium of your colman, to try to rouse the people of this state to 13 h mastant of Judge Lewis Roter, aged 63 4 better appreciation of the duties and wants of the age

If toors is no other thing that our little city can be st of, it may justly be proud of its public the maching at Green Boy He received the schools. The character of our schools for excelnet, while Wisconsin territory was attached to our city, even, and reaches in reputation, the rethe jamenation of Michigar His death was motest part of the state Indeed, there are those, very su d u and supposed to have been caused oven it few, who only know of Kerosha by the reputation of a significations. By special act of the Legislature, the city i

author zed to organ ze such an institution with greate efficacy than is given by the common School Lin And some five yours ago, a large two story building was creeted in District No. I and the school started The experiment has proved eminently successin' the first teacher was Mr. Groven, the sec-

oud 3er Coe the third Mr McMynn, now of the it is under the charge of Mr. J G McKinder, for the fifty dullars, the penalty in the statute -from Saratoge, N. Y It was under the superintendence of Mr. Mc-Oyne that the school obtained its proud reputa-

tion He justly ranks as a teacher second to none which I is feare I an earthquake would follow the im the country, whose worth and justiy earned reputation, induced the Liberal Party to make him is candidate for State Superintendent at the him on p litted grounds should now cill upon last state election-a post which for the sake of the a hools of the state, I hope he will yet fill. Aber, a dimotr is in opposition to S.R. Cotton Republican. Some are independent candidates of the life following encourage in dependent of Mr. Agar of the life following encourage to Mr. Agar of the life own is add to his chance of elections retains a be seen. The district stations of the termon jet concluded, under the superintendence of Mr. Agar and the process of Mr. Agar and the product of the experimental politics, but we do not doubt that the paragraph will cost Mr. Agry a good many y volts.

Agry has been always a reliable member of the product of the largest were the most ready, prempt, and attractory it has ever been any pleasure to

July Agry has been always a reliable memoral to be provided by the provided by the country, and he recent questions which have among heat the bargest were the most ready, prompt, and attentions to all the tertiscons to a

The examination closed with public orations, it is entertain-

del mations and compositions. The entertain-ment was en vened by some of the choicest sing-tor of examinate sorger by a small choir of the ing of exquisite sorge by a sainti cools of the treachers is by Mr Srosse Principal of the lower Dejartment of the School, toge her with instruction of the sainties of the sa ment of manic by a band of performers. To give an additional zost, so far as paients and pullis were concorned, Mr. McKindly got up a series of prize, of the most subable books, in all costing from forty to one bundred dollars, such as Wilbster's and Worcester's dictionances. Shakspeane, large guit-bound Bibles, cases of Mathema real frequencies, dec., which were awarded by conmittees of citizens coosen for the purpose, who sattended the reheaveals of the exercises. The entertailment was really a superior one, as wa evidenced by the fact that the entire audience stydict they were through, at 11 o'clock, P. M. st d tile they were through, at il o'clock, P M.

Grait Circuit Court Mathew Horner speel And to show how such entertainments are applied to show how such entertainments are applied by our people. I may mention that the large County Court Royal Discould Plift of the John H Downing Deft in error. Mother or though the price of admission was twenty-time or a re-hearing and e-a gument decied with 100 feet.

RAIL ROAD MATTERS .- Went length have the gratification to sunounce to our readers and the "rest of mankind," the fact that the final papers access my to give the Milwaukee and Mismashpp Reseasion of this line of road have been passed to ev, and the contract for the work will be let in Morror very soon, if not done at the time of the secret very soon, if not done at the time of

he writing.
The sugments will be on the line this week it dwe now expect to see our hopes faililled to be letter. We should be happy to see the efforts

o the company cordinity met by our crimeness they certainly have been herek fore. Let us all delike men—[Monroe Seutine]. DEFAULTER ARRESTED .- In consequence of a

Descriting Analysis.—In consequence of a triggraph dispatch received here, the police are sense to the Michigan Central depot, Saturday morning, a man named Horace Scofield, gaing morning, a man named Horace Scofield, gaing west with his wife and four children He was a some pretty fair hits at the Yankees who go any with laring been Collector in some cown as young and with laring been Collector in some cown are some pretty fair hits at the Yankees who go south to seek their fortunes. It is odd enough in any New York, and having decamped with over south to seek their fortunes. It is odd enough in its piot to be beyond the usual into of fiction, and is full of pleasant and extremely well drawn sketches of Southern character, particularly of those who are of French descent. Pleasant reading very, it will be found and in the penniless and exposed among stranmily thus pennsies and exposed among stran-rs. It is indeed a hard case.—Chicago Dem

It was expected that he would be badly seared for life. We applied the Musicang with raw cotton, and norbing else, and in ten days It wa with taw cotton, and norming ene, and in ten mays a was entirely well and left no scar, or mark whatever My wife used it has ease of so hif am bulling hot tallow and KNEELAND. t had the same good effect
Yours, truly, D.B. MILLER, County J. dge

ROBERT COUNTY, Als , Beb 1, 1863 For the benefit of the officies, I field my daty to state philickly the remarkable oures that have been off sted i my family by the use of the Mustang Liniment. A ne gress of mine had what it called a Bone Felon, or While on her finger. The last martion had been so extensive, that the whole finger bad become a mais of corruption and the only hope of saving her hand and perb yake. his, appeared to be to have it cut off. As her we h at h was very delicate, the Physician at read a text the the Mustang Limm at a few days, till abe could be sert to a surgeon in Culumbus as it could do no he m said might prevent un ortheation. To the automatment of the doctor and myself, the pain soon ceased, the lafter mation subsided, and the wound rapidly herld. The fing r is percely will and sound. One of my bove was severely burned, the skin was entirely taken off f om the same to the suck! The Musting Liebent was freely applied and no lung else was used. The relief and cure agre al nust but not helped, but a short time clays d before the wounds were perfectly healed. I con iter it an intiluathe remedy, and it should be in every family and in every j lautation

plantation JAMESPHI...PP
Norman New-Boy Even Take —It would be nothang new to say that the Mislang Linitaent had been and
was now more used in the United Sirtes than any other proparation But't would be true to say that it is a loss more uniformly suce s.f. iin be lung w unds, bensee burns, ou s, and all manurer of source, es w. ii say lee sey is pelas, points of laurences in the la k, sade o many, rhounsel in, than any other read of These are facts itst millions of persons know firm Laving used to We say mal one, and base the sarerion on the fact tand over fifteen in linus floot a face been used, and sever heard a complaint against it, where it line been used so directed Town Lotsend Lands, Bonds and ? or'gages, County Orders, State Warrants and Scrip, negotiate money and loans collect intercaton State sorie, and pay taxes in any One trial as il we sak the most increduiting—and such a tr al will only cost 25 cents

PRICES —I reput up a bottles of all sizes and re-arted at 20 cents, 50 cents, and 31 per borde. The ify cont and one deliar bottles contain three times as much as the twenty five cents so is proportion to their cost large bottles are the cheapest the bottles are the cheapest

CITY MATTERS. POLICE COURT .-- April 24.

Mencaha April 21st Marsan Emross —I have observed a few times effore Clinton Walworth, Esq., Police Justice favorable notices of the Milwaukee schools in the A man mamed Richard O'Nell was examined napers of your city and have also seen in the upon a charge of attempting to break the peace Rach of spers high commendations of the puband breaking the peace, by assaulting Bridget O'Neil on the 19th of April The defendant was he school s of that city, but if the troth is told, i. mu the admitted that the advent of sluoss required to give security in the sum of \$250, to tiful ne, such as that well described by Longbe of good behaviour for two months, and in de-A man named Henry Hopbrich was tried and

found guilty of violating a city ordinance by eing noisy in the street, and was fined \$3,00 and costs, which were paid A warriot was issued against Frederick Pack-

turgs on Michig a to the Missimply, and the person of Juliana Grunale The defendant was arrested by officer Kunder and put in in ! is passed by in silence, or if noticed at all and the case set down for this morning at 9

BEFORE ALBERT SMITH, ESC.

Wisconsin vs P H. Clark, Captain of the steamer Pac fic The complaint was laid under the ing brought an indigent person to this port from Chicago The evidence was clear that therican taken down to the steamer in Chicago by one of the men belonging to the Poor House in inst city, and that they were put on board the boat in Chicago, and brought from that port to Mil wanker, and that they became manates of the Poor House in this city A part of them had at est's Beer Hall, Market Square, to-morrows been is matter of the Chicago Poor House for to btain an advance of wages None of them had a cent of money,

There was not a shadow of evidence to consect the Captain of the Pac fic with a knowledge of the transaction , and nothing showing an intent to bring an indigent person to Milwaulee The District Attorney did not claim judgement for the fifty dollars, the punalty in the statute -Judgement accordingly for the defendant J A Mallory for the State Arnold & H.milton for defendant

FIFTH WARD REAL ESTATE -Nowhere in the city does the price of real catate advance more rapidly than in the Fifth Ward, and that is saying much, for property is rising very fast everywhere We notice in another paragraph, sales to the amount of \$10,000 in the "mamb," in the ward mentioned The secret seems to be the contemplated building of the Ship Canal through Park Street, running disectly west from the Straight Cut into the river The Canal is to be 200 feet wide, and its exca vation will not only furnish vessel room, but the earth thrown up will give the necessary filling to make solid ground on either side Quite a number of our capitalists are interested in the operation, and more are falling unto the current every day.

REAL ESTATE SALES - CALES WALL reports the following sales of Real Estate .- Lot 4 Block 94, First Ward, \$4200, quarter block 57 Pust Ward, \$2400, north third of quarter block 37, First Ward, \$1000, 40 ft, quarter block 47 First Ward \$500 , all of block 28 Fifth Ward, \$6000 , 13 lots in block 27, Fifth Ward \$4900, and lots 2 3, 4 8, 9, 16, 17, block 197, lets 1, 3, 4 5, 6 7 10, 16, block 198, lots 1, 2 3 4 5, 6 7, 10 11, 12 13, 14, 15, 16, block 199, and lots 2, 3, 10, 11, 12, 13 14 15, 17, block 200, all in the Second Ward for \$24,300-making in the ag gregate \$42,400

New Publications.

Busicem Past and Parieurs, by Richard Chevonix French B D author of the Sindy of World, Lessons in Profession, &c., Redriend, B Y, Publisher.

We have here from Wilson, book seller, another of the very interesting series of works by a most accomplished English scholar Those wh have read the former publications of the series will hasten to possess themselves of this one, in spitic announcement to induce others because from their love of the author. To those who have not beteinfore learned the charm which he throw around what has hitherto been considered a dry study, we urge a few minutes reflection of the great interest which an able pen might be corrected from the case of the changes which the corrected from the read planutine error, version of the changes of the great interest which an able pen might be continued from the reng of the changes which have supplied to the English language has undergone in the last few centuries—of the falling away of words an argument they could not have withstood.

If no Kin w ton Jack of Ci cut Court of Polk to the wide from the changes of meaning in words, which now a cut will the Registration of the falling away of words an argument they could not have withstood. And one more thought Ours is nothing but a Public school, where high and low, rish and per in the state of the changes of meaning in words, which now appear in our oldest books, and whose modern to the falling away of words of the rish and per in the state of the changes of meaning in words, which now appear in our oldest books, and whose modern to the fall of the changes of meaning in words, which now appear in our oldest books, and whose modern to the fall of the changes of meaning in words, which now appear in our oldest books, and whose modern to the changes of meaning in words, which now appear in our oldest books, and whose modern to the changes of meaning in words, which now appear in our oldest books, and whose modern to the changes of meaning in words, which now appear in our oldest books, and whose modern to the changes of meaning in words, which now appear in our oldest books, and whose modern to the changes of meaning in words which and per in the changes of meaning in words, which now appear in our oldest books, and whose modern to the changes of the changes are throwed in the best to make our state on the thing and large and the court in the case of the change which the from their love of the author. To those who acceptation gives rise to false interpretation, par- been a defect in the boiler,

RAIL ROAD MAITIES.—Went length have the gratification to smoothed to our readers and the interest of markitad," the fact that the final papers accessing to give the Milwackies and Mississippi is session of this line of road have been passed or every soon, if not done at the time of the works. A heaty examination of it gives us the impression that, under an odd name, it is another of this belogical nevals of the day, and the very frequent occurrence, intrished with capital section. it is we true.

The sugments will be on the line this week a dwe now expect to see our hopes folkiled to to the distance. We have to the company cordially met by our citizeness they certainly have been herek fore.

Let us all d, like men — [Monroe Sentine].

Propeller Oregon-Loss of Ten Lives. Prepetter Orrgon-Less of Ten Lives.

The prop-lier Orrgon-Less of Ten Lives.

The prop-lier Orrgon left this city early yestirday morning for St Clair Rives, carrying, in a idition to her own crew, the crews of the bright M. Sizudand and schooner Flying Cloud which visels wintered above. The total number of prison on braid was twenty-five. At about fiften minimizes before 7 o'clock when near the head of Belle Isle, and close to the Canada shore, here taker exploded with a tromen our noise, scattering death and destruction all around. The after just of the vessel was blown completely off, and wisk matantaneously. Nine more were killed considerably, and several others were wounded, sinc quite seriously. Those of the saved clung to the bow of the vessel, and were taken off by hall boats.

result boats

The Oregon was commended by Capt. John
tewart, who was learing against the pilot house
here the explosion occurred. He was furfed
light up in the air, and as he descended, fell throtize deck—branking his legs, and braising his
ody considerably. Capt Glazier, of the brigtandard, was also learing against the pilot
one at the time and was thrown some distance,
it essented both a proposed not be not ouse at the time and was notive a some distance, it escaped with a sprinned ank such a first of the missing — lone of the bodies have been recovered but that f Mr. Caspuan

Theatre Burnt. New Orleans, Monday, April 20.
The American Theatre was destroyed by fire

Railtond Ascident. Baltimore, Monday, April 23
The 11 o'clock train for Philadelphia met with a serious accident at Gunpowder Oreck. The bridge broke down, and the engine, baggage and exprise cars went into the river. The passenger cars would have followed them had not the coupling broke and saved them

Steambont Burnt-Arrison's Sentance Suspended.

The steamer Wm Knox, from this place for St. Louis, was destroyed by fire this moraing near Flint Island, below Louisvilla. The boat was full of passengers for Kanasa, but it is believed that no lives were lost, as a steamer came up at the time of the configuration.

The District Court this morning granted a writ of error in the case of Arrison, the torpeds man, and suspended sentence.

RHODES PRVER AND AGUE CURE

Nature's Infallible Specific. TOB the Provention and Cure of Intermittent and Real mattern revers, vever and Apue, Chills and European Ague, General Debuits, hight sweats and allo brims of disease which have a common origin in Melanis Massina. This subtle atmospheric policion which a retain samon is unavoidably inhaled at every bright, South its same in character wherever it allow,—North, South att or West,—and will everywhere yield to this newly incorrect antidote, which is claimed to be the unavariant and proposed a Menovary as Meno as overed antidote, which is claimed to be the distribution abovate in Associate Park many.
This specific is no harm-sea that it may be claimed by per so of every age, sex or consisten, and it will not substitute for one disease others will worse, as is too often the training the treatment by Quinine, Marcury, as no the realist to the treatment by Quinine, Marcury, as no appropriate of the proposition of abstractions drugs, and a partie of any which is admitted into this preparation.

The proprietor distinctly claims these extraordinary re its from the use of this NATURAL ANTIDOTE TO IALANIA
It will entirely protect any resident or traveler oven is
ne most sinkly or swampy localities, from any Ague o
inlicing disease whatever, or any injury from constant infilities disease what yet, or any 1. jury from constantly chains of Minaria. It will insuastly the fix the Ague n persons who have suffered any length of time, from one day to twenty years to that they need never have avorage quitt, by couldn't ag its use according to directions. It will immediately relieve all distreasing ten that of Bit will immediately relieve all distreasing ten that of Bit. It will immediately relieve at distreasing rewits of fill from or Agus diseases, such as general debt its, michi. mests, due. The patient at once begins to recover appeared to the recover appeared t

Directions prime us we asset a control prime to the trade-empany scale botto. Trade circulars forwarded on as plication, and the ar-lete will be consigned on liberal terms to respons be surfles in every section of the country. JAB A RHODES, Pempiletor, Providence, R I.
